The specialty medications included on the SaveOnSP Drug List are specific to your plan's prescription drug benefit and subject to change at any time. Prescription drug benefit plan terms will always take precedence. Medications with prior authorization criteria must be approved in advance by the plan and follow applicable laws and/or regulations. The specialty medications included on this list will have a 30% coinsurance, by participating with SaveOnSP, **your final cost will be \$0**. The coinsurance amount may change based on manufacturer allowances. Fill your specialty medications through your approved specialty pharmacy.
