Cigna Medicare Surround Plan

with Cigna Rx Medicare (PDP)

The Cigna Medicare Surround Plan, administered by Cigna, helps pay some of the health care costs that Medicare Part A or Part B does not cover.

How the plan works

The Medicare Surround plan pays half of what Medicare does not pay, and you pay the other half. For example, if Medicare pays 80% for a covered service, leaving 20%, you will pay 10% and the Surround plan will pay 10%. See the chart for details.

Choosing a provider

The Medicare Surround plan does not require you to use network providers. You can visit any health care provider who accepts Medicare. You don't need to select a primary care physician, and you don't need a referral to see a specialist. To find doctors who accept Medicare, visit [medicare.gov](https://www.medicare.gov) or call **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY/TDD users call **1-877-486-2048**.

Prescription drugs

Coverage for prescription drugs is provided through the Cigna Rx Medicare (PDP). This plan is an approved Medicare Part D plan; it has been deemed creditable and is equal to or better than the Medicare Part D plan. Therefore, MNPS retirees in the Cigna Medicare Surround do not need to enroll in an independent Medicare Part D plan; doing so would result in the cancellation of your MNPS coverage.

The Cigna Rx Medicare (PDP) covers prescription drugs for a flat dollar amount called a copay after you meet an annual deductible of \$200. The copay you pay depends on the drug's tier, as shown in the chart on page 5. Certain preventive drugs have a \$0 copay.

Prescription drug copays do apply to your pharmacy out-of-pocket maximum, which is separate from the medical out-of-pocket maximum. Once you meet the annual prescription out-of-pocket maximum, the plan will pay 100% for covered prescription drugs for the remainder of the plan year.

Benefits for covered prescription drugs are based on a drug list, called a formulary. You can view the formulary and see how your current medications are classified by visiting myCigna.com. If you use an out-of-network pharmacy, you will pay more out of pocket.

Finding network pharmacies

To locate network pharmacies, call **1-800-558-9562 (TTY 711)** or visit CignaMedicare.com/group/PDPresources.

ID cards

There are two ID cards for the Medicare Surround plan:

- » One is for medical/hospital expenses from Cigna with the word INDEMNITY printed on the front (you will use this card in tandem with your Medicare card because Medicare pays primary and Cigna pays secondary for hospital and medical visits).
- » The other card for prescription expenses is from Cigna Rx Medicare (PDP).

Surround plan enrollees will continue to use their Cigna ID cards in 2025; no new cards will be mailed.
